Medical Affairs Scientific Communications Director Europe (M/F)

Mission

The Medical Affairs Scientific Communications Director, under the leadership of the Head of Medical Affairs Europe, is responsible **to lead Medical Affairs Scientific Communication on all therapeutic areas across the Europe region**. He/she is also responsible for creating regional medical affairs scientific communication strategies and plans to ensure successful launch and/or maximization of the company's brands within the region and assist affiliates in executing the strategy.

Key responsibilities

- Research, develop and drive publication plans to support Region Europe Medical Affairs, including planning to support output for congress presentations and manuscript execution in alignment with strategic objectives
- Initiate cross-functional collaboration to collect and share data and information enabling a seamless, integrated and inclusive scientific communication
- Lead the development of new scientific content to meet the evolving knowledge and capability requirements of medical personnel and especially external-facing Medical roles
- Translate the guidance of the Head Medical Affairs to create processes, strategies and execution plans to provide ideal communication content & platforms for key therapeutic areas
- Interface with internal stakeholders and Region Europe Medical Affairs leadership to ensure successful integration of publications and events
- Define, oversee and coordinate scientific communication plans and timelines
- Manage multiple publications and events to lead to unique and aligned presentation of product strategies
- Lead peer-reviewed publications, collaborate with scientific experts, scientific/medical advisory boards, and medical education/communication
- Work within legal, regulatory and company standards, and codes of practice. Oversee the review of documentation to ensure it remains within guidelines
- Select and provide direction to vendors to ensure proper alignment with event scope, strategy, objectives as well as compliance with the company's policies

Candidate profile

- Solid academic background (MD or PhD), MBA a plus
- 5+ years industry experience, including 3+ years' operating in a similar position
- Effective communicator and public speaker, excellent written and verbal presentation skills Strong business capabilities
- Demonstrated leadership skills
- Hands-on leader who is highly adept at building cross-functional relationships in a pan-European/international environment
- Demonstrate an open, supportive, team-oriented style with the ability to influence key audience both inside and outside the company
- Cultural sensitivity and experience working with pan-European/international colleagues and external partners.
- Capability to work in an independent mode, creativity and innovativeness are clearly expected
- Full fluency in English and other European language a plus
